Here's What Our Clients Are Saying...

“Wow! Your temps were amazing. Not only were they very competent, they were incredibly friendly. I really appreciated the value your temps offered our registration manager. They gave us tips and advice that will ensure future successful events. Please don't hesitate to use me as a reference.”

-Cathy Vjeh
Director of Global Events

Here's What Our Clients Are Saying...

“BBSG temps during the ABA Boston Midyear Meeting, were organized, followed instructions well and were extremely helpful. Whenever they were not busy, they sought out additional task/responsibilities, such as unpacking approximately 2,000+ registration bags (removing the plastic outer layer from each registration bag, repacking and returning to the holding area). The temps were punctual every day of their assignment. On the first day, they arrived approximately 1/2 hour early to get oriented and acclimated to their assignment. It was a pleasure to work with Back Bay Staffing Group during the Boston Midyear Meeting.”

-Hazel Walker
Meetings & Travel Office,
American Bar Association

Here's What Our Clients Are Saying...

“Our company hosts Job Fairs and CE Events around the country. Recently we had the need for nine quality temps to work the registration area at our Boston healthcare event. It was my pleasure to choose Back Bay Staffing Group based on their experience. The day of our event, Dan Landerfin arrived at 6:15 am to make sure that all nine temps were on time as he had promised. The temps showed up well-groomed and well-dressed. They were friendly, helpful and had excellent communication skills...I would highly recommend them to anyone who is seeking the best that Boston has to offer.”

-Carla Frehn
Convention Coordinator
Merion Publications, Inc.
